

MEDITE MR

Generated on 20.02.2020

Detailed description

A moisture resistant MDF panel designed for use in humid conditions in accordance with MDF.H (option 1) as defined in BS EN 622- 5.

Ideal for use in kitchen and bathroom furniture, window and skirting boards and architectural mouldings.

Applications:

- Used as a substitute for softwoods and hardwoods as a panel product in non-stressed applications.
- Suitable for interior humid conditions.
- Not suitable for external applications.
- MEDITE MR is distinguishable from other MEDITE MDF products by its green identification colour.

Product guidance - As Standard
