

## MEDITE PREMIER

Generated on 20.02.2020

### Detailed description

#### MEDITE PREMIER:

Produced using superior wood refining technology and specially designed resins. Excellent face properties make it suitable for the thinnest laminates and surface coatings. End users enjoy consistency of quality and thickness, as well as reduced tool wear.

#### Applications:

- Ideal for use in furniture, shop fitting, cabinet and door applications where excellent machining characteristics and a high quality finish is required.
- Suitable for interior dry conditions.
- Maintains light tan colour of the wood fibre from which it is manufactured.

### Product guidance - As Standard

#### Fire rating:

Substrate is expected to achieve a fire class rating of Euro Class D.

#### Moisture content:

7% ± 2% at the time of manufacture.

### Product specification

#### Manufacturer

- Name: MEDITE SMARTPLY
- Web: [www.mdfosb.com](http://www.mdfosb.com)
- Email: [info@mdfosb.com](mailto:info@mdfosb.com)
